INTERNSHIP/TRAINING

Full Stack Web Development Trainee
Felix IT Systems | Feb 2025 – Present

- Training in HTML, CSS, JavaScript (ES6+), React.js, Node.js, Express.js, MongoDB
- Building responsive full-stack web applications and RESTful APIs
- Hands-on practice with Git, GitHub, debugging, and deployment
- Learning Agile methodology and industry best practices

PROJECTS

Interactive Portfolio Website / *HTML5, CSS3, JavaScript, Bootstrap| Link- Click Here*
- Built a responsive portfolio website showcasing projects with smooth animations and transitions using vanilla JavaScript and CSS3
- Optimized website performance achieving 95+ Lighthouse score through code splitting, lazy loading, and image optimization techniques
- Implemented contact form with client-side validation and integrated EmailJS API for seamless communication functionality
- Deployed application using GitHub Pages with custom domain configuration and implemented CI/CD pipeline for automated deployments

Travel Website | *React.js, React Router, Bootstrap | Link – Click Here*
- Developed a responsive travel website using React with dynamic routing for seamless page navigation
- Designed reusable components and responsive UI using Bootstrap for better user experience
- Deployed the application on Netlify for live production access

React Movie App | *React.js,Tailwind css, TMDB API, React Router | Link –* [*Click Here*](#)
  - Built a responsive movie browsing app using React with dynamic routing and reusable components
  - Integrated TMDB API to fetch and display real-time movie data with search functionality
  - Managed state using React Hooks and deployed the application via GitHub Pages

KEY ACHIVMENTS

- Built 5+ production-ready web applications using React and JavaScript
- Improved application performance by up to 40% using optimized state management
- Achieved 95+ Google Lighthouse performance score
- Hands-on experience with REST APIs and full-stack workflows

SOFT SKILLS

- Problem Solving
- Team Collaboration
- Communication Skills
- Time Management
- Adaptability

EDUCATION

C. U. Shah University   Surendranagar, Gujarat, India
Bachelor of Science in Information Technology   *2022 - 2025*
  - Relevant Coursework: Data Structures & Algorithms, Database Management Systems, Web Technologies, Software Engineering, Object-Oriented Programming, Computer Networks
